Al MacCormack

Jon Gabriele

HEAD COACH AL MacCORMACK

Beginning his seventh season as Red Dragon head coach, Al MacCormack doubles as the Park Center Ice Arena director and an instructor in the Physical Education Department at Cortland.

A native of Sidney, Nova Scotia, MacCormack attended St. Lawrence University in Canton where he was captain and MVP of both the soccer and hockey squads. He set school scoring record in soccer, while in hockey his Saints teammates included two current NHL coaches: Mike Keenan of the Philadelphia Flyers and Jacques Martin of the St. Louis Blues.

After graduating from St. Lawrence in 1974, MacCormack went to Ithaca College where he taught and coached. From 1975 to 1980, his Bomber soccer units went 38-43-4 and participated in two NCAA tournaments. Named the New York State Soccer Coach of the Year in 1980, MacCormack earned a master's degree in physical education at Ithaca. He also assisted coaching Elmira College to three NCAA Ice Hockey Tournament bids. He has been assistant soccer coach at Cortland since 1981.

"We have a bunch of hard workers and, if we work hard every shift out of every game, we will win a lot of games this year," MacCormack said. "I am looking for us to play a much tougher brand of hockey this year. I would like to see the team control its own destiny this year."

Al, his wife, Shirley, and their children, Amy 9, and Doug, 6, reside in Cortland.

ASSISTANT COACH JON GABRIELE

No stranger to the coaching ranks at Cortland, Jon begins his first season with the Red Dragon varsity skaters. He has coached the Cortland Club hockey team and helped direct the Cortland junior varsity football team.

A communication major, Jon is currently completing his undergraduate studies while taking a few graduate courses. A native of New York City, he played one season under Coach MacCormack. Jon also was a Red Dragon wide receiver and has worked as a sportswriter for the Student Press and in the WSUC-FM sports department.

Jon is single and resides in Cortland.

ELBOWING

Tapping either elbow with the opposite hand.

HOOKING

A series of tugging motions with both arms, as if pulling something toward the stomach.

"WASH-OUT"

Both arms swung laterally across the body with palms down:

1. When used by the Referee it means goal disallowed.
2. When used by Linesmen it means there is no icing or no off-side.

BOARDING

Pounding the closed fist of one hand into the open palm of the other hand.

ICING

1. Indication of possible icing violation, back official raises arm.
2. Front man blows whistle.

INTERFERENCE

Crossed arms, stationary in front of chest.

HIGH-STICKING

Holding both fists, clenched, one immediately above the other, at the height of the forehead.

CROSS-CHECKING AND ILLEGAL USE OF HANDS

A series of forward and backward motions with both fists clenched extending from the chest.

DELAYED CALLING OF PENALTY

Referee repeatedly points, with free hand (without whistle) to player to be penalized until play is stopped.

STATE UNIVERSITY OF NEW YORK COLLEGE AT CORTLAND

Located atop one the rolling hills in central New York's "City of Seven Valleys," the State University of New York College at Cortland was founded in 1868 as the Cortland Normal School and included among its earlier students inventor and industrialist Elmer A. Sperry of Sperry-Rand Corp. fame.

Today more than 6,400 undergraduate and 600 graduate students are pursuing degrees within the College's two academic divisions - Arts & Sciences and Professional Studies. Twenty-three departments with a faculty of more than 300 offer the Cortland State student body some 40 majors from which to choose including economics, biology, sociology, elementary and secondary education, physical education, health education and recreation.

The College's main campus covers 191 acres and includes 30 major buildings. Fourteen of these structures are residence halls providing on-campus housing for 2,600 students. Cortland also operates its Outdoor Education Center at Raquette Lake in the Adirondacks, the Hoxie Gorge Nature Preserve outside Cortland, and the Brauer Memorial Geological Field Station near Albany on the Helderberg Escarpment.

At Cortland, athletics are viewed as having an important role in the educational mission of the College. During the fall, winter and spring seasons, Cortland participates in 24 intercollegiate sports - 12 men's and 12 women's - in an attempt to provide a broad program which meets the needs, interests and abilities of its students.

The stated objective of the College's athletic program is the development and welfare of the student. In the coaching of individual sports, as well as in the direction of the overall athletic program, the College endeavors to provide a high calibre of professional leadership consistent with the goals of the institution.

Cortland College is particularly proud of its long tradition of intercollegiate athletics and its high standing in small college athletic circles. In support of this heritage, the College offers its student athletes - some 800 annually - a number of outstanding outdoor and indoor facilities for intercollegiate competition, as well for educational and recreational purposes.

The Park Center for Physical Education and Recreation, which opened in 1973, features a main gymnasium with a 3,600 seating capacity, an Olympic-sized swimming pool with gallery seating for 1,500, an ice arena which can accommodate 2,500 spectators, racquetball and squash courts, a wrestling room, and modern athletic training facilities. Lusk Field House, with its new tartan-textured

surface, is home for the indoor track teams.. The Red Dragon football and lacrosse squads compete on Davis Field, with its 5,000 seating capacity. Cortland soccer teams play on Holloway Field, which has lights for night contests. The College has 50 acres of athletic fields and 24 outdoor tennis courts.
